

Training with Meon

Xcountry Schooling Saturday March 27th Cost £32.50

Venue: Tenantry Farm, Rockbourne near Fordingbridge SP6 3PB

Instructor: Cheryl Bezants

This is a well-built comprehensive xcountry course with a good water complex. The Festival of the Horse area qualifier is being run here in April. Probably more suited to horse/rider combinations with some xcountry experience. This course has a wide range of fences 2'6" upwards. I anticipate 2 groups one at 10am and the other at 12noon with 4/5 in each group, therefore the spaces will be limited.
