David has had considerable success with the SJ teams he has instructed (both local Pony Club branches and Riding Clubs) and has taught regularly for the Meon for some years. He is great at inspiring confidence both in horse and rider and improving both.

Mark is a very well known local instructor and has taught regularly for Meon. His gridwork sessions have been particularly popular and the exercises are excellent for improving the rhythm and athleticism of your horse.

I try to match up people in the rides as much as possible by ability and size of mount so please be as flexible as you can when requesting riding times.

You must apply for each course or individual session at least three weeks before the date the course starts or the session is held. Places will be given on a first come, first served basis and numbers will be limited so although you can apply later, early application is recommended - you can post date your cheques.

DIRECTIONS

Quob Stables Equestrian Centre, Durley Brook Road, Durley, Southampton SO32 2AR. Leave the M27 at junction 7, exit motorway roundabout towards superstores.

Next roundabout take first exit towards Fair Oak, go straight over the next four roundabouts passing McDonalds and Burger King.

On reaching the next roundabout (Denham Corner) go straight ahead into Snakemoor Lane signposted Durley and Quob Stables is about $\frac{1}{2}$ mile on the left hand side.

Lower Peake, Warnford SO32 3LA. Take A32 south, through West Meon and Warnford. As you come out of Warnford you have iron railings on your left, after about half a mile the railings end and you will see yellow posts. Turn left down drive (grassy triangle as you start), follow narrow road for about $\frac{3}{4}$ mile, bear left as you come towards farm and head down towards the white house which is Lower Peake. It is a one way system so do not worry that the road is narrow.
